### Artist's Long Lunch

Sunday 23 April

1 - 3pm

Please join us for an artist's long lunch with John Klein.

Members and friends of the ArtSHINE Gallery are invited to join the artist John Klein as we enjoy 'Big Country' and a three course long lunch with John.

This Long Lunch is a supplementary event to celebrate John's solo exhibition 'Big Country' launching at the ArtSHINE Gallery housed at CoSydney CoWorking + Enterprise Accelerator in the City of Sydney's Chippendale Creative Precinct on Saturday 8 April 2017.

With an inspired 'Big Country' three course lunch created especially for the event by restaurateurs and culinary artisans Barefoot & Hungry, John will share his recollections and inspirations with you as we relax, dine together, enjoy his works, and hear first hand about John's art practice and passion for painting.

# ABOUT THE ARTIST

## JOHN KLEIN

With a background in film and television, arts management and marketing, John has been engaged in creative pursuits for his entire career. Although he didn't start to exhibit his work until 2012, John has always been passionate about painting. He loves strong colour and texture and his work has been described as expressionistic and painterly.

John stages at least one solo exhibition each year and his subject matter changes regularly. He finds himself drawn to diverse themes and areas of interest however flowers and animals are reoccurring themes. John's work often has dramatic lighting and can be quite theatrical at times.

Based in Sydney, Australia, John works from a home studio that he built in his attic. It is a quirky, light-filled space with lovely tree-top views – a great place to spend time creating art. He favours painting in acrylic, because of the quick drying time, vibrant colours as well as the textural quality.

John has been selected as a finalist in the Mosman, Hornsby, Lane Cove and Northbridge Art prizes to name a few. His paintings are held in private collections in Italy, France, Germany, USA and throughout Australia.
