

# Colourplay Workshops

WITH KRISTINE BALLARD

## FRAGMENTED LANDSCAPES

### Do you love colour?

Have fun creating your own artworks. This workshop is for anyone who loves colour but is convinced they have no talent or skill. Using a range of art mediums you will learn how to take your favourite colours and let them help you create an abstracted artwork that reflects your unique personality.

THE FOCUS OF THIS WORKSHOP WILL BE BASED ON YOUR HOLIDAY LOCATIONS.

Bring along a photo of your favourite location if you like to inspire you!

No skills required, just enthusiasm and a love for colour.

### YOUR FACILITATOR

Kristine Ballard is a practicing artist and arts educator. She exhibits and teaches in Australia and internationally.

The originator of the Fragmatism™ style, she will help you develop and nurture your very own abstraction style.
